Schedule: This week we met with our sponsor to update them on our progress on our final deliverable and discuss any roadblocks we have encountered. The team has a basic version of front-end, back-end, and web-scraping Python scripts. The plan is to connect all three of these to have a functioning webpage.

Risks:

WORK PLANNED FOR LAST WEEK

- Finalize some of the county web scrapers that we have been having issues with.
- Start to integrate our finished python web scraping scripts directly into our website.
- Start building a front-end to allow the user to navigate around our website.
- Meet with Vinod to discuss progress and features.
